## Job Posting

Chapel Mapping is mapping SMECO (Electric Company) located in Hughesville, MD for the next year and a half. The electric lines are located in Charles, Calvert, Prince George and St. Mary counties.

- The job title is GPS Collector. This position will be responsible for walking to utility poles and Underground Cabinets, using a GPS device to locate positions. The work is outside work.
- The job is full time; the pay is \$15.00 per hour with production bonus, vacation and holiday pay. No experience is necessary.
- The crew meets at the Electric Company in Hughesville, MD in the morning & the Supervisor will transport the crew to the work location each day.
- We normally work 4-ten hour days & have Friday off so the position is usually good for a student who plans to do night or on-line classes.

We are hiring 3 employees.
